BAROSSA VALLEY

## 2000 The Factor

*Our homage to the great old vines of the Barossa Valley, this wine is composed of 100% Shiraz.*

*Complex and concentrated, the wine is cloaked in velvet tannins that will continue to develop for another 10 years at least. The Factor is all that you would expect of a pureblood Barossa Shiraz.*

*The manager on a highland estate is referred to as The Factor. Having spent two years in predominantly older oak, this wine manages to express true Barossa Shiraz character*
