BAROSSA VALLEY

2004 LES AMIS

This unique parcel of Grenache, sourced from a single, old vineyard (128 years) in the hamlet of Greenock, has successfully endured eighteen months maturation in new French barriques.

The 2004 Les Amis is a direct and distinctive reflection of the 2004 Vintage – flamboyant, rich and elegant. The nose flows from lavender, violets, black cherries and squashed raspberries to liquorice and spice. The overtly opulent palate is silky smooth, persistent and spicy, with a hint of refreshing, juicy fruit just to remind you that this is actually Grenache.
