BAROSSA VALLEY

2008 Woodcutter's Shiraz

The name Woodcutter's stems from Torbreck Founder David Powell's several years spent working the Scottish Highlands as a lumberjack in the Torbreck forest.

This wine reflects the up & coming Shiraz vineyards of the Barossa, rather than the battle hardened old vines which make up the core of our other cuvee's. Dense, rich and opulent, this wine combines great fruit purity with texture, complexity and finesse.

Whilst offering immense pleasure in its youth the 2008 Woodcutter's Shiraz will no doubt develop along a similar path to the 2004 & 2006 vintages with a few years in the cellar.

Like all wines in the Torbreck stable, the fruit is sourced from hand harvested and hand tended plots throughout the Northwestern Barossa Valley. It is bottled without the use of either fining or filtration
