PALATE:	Medium bodied with lifted aromas and texture balanced by cleansing acidity.
CELLAR:	now - 2024

“ THE HISTORIC APPELLATION OF
CONDRIEU MAY BE NO LARGER THAN
A POSTAGE STAMP, BUT VARIOUS
CUVÉES FROM ANDRÉ PERRET,
GEORGES VERNAY AND MARCEL
GUIGAL ARE SOME OF THE GREATEST
WHITE WINES IN THE WORLD. ”

We have strived to make a wine with similar distinction and purity to those of this famous Appellation, and when exceptional vintages prevail we produce a Viognier that displays a distinctive varietal character.

VINTAGE

The 2021 summer growing season was mild, with even and cool daily temperatures throughout. Enhanced by good rains provided during the winter and spring of 2020, our vineyards grew wonderful canopies and developed well-formed grape bunches. As a result of this long flavour development cycle in the vineyard, 2021's signature is wines of high aromatic lift with densely coloured tints and exceptional balance.

TASTING

Enticing aromas of exotic tropical and stone fruits such as lychee, passionfruit, and apricot intermingled with fresh herbs and spices like cinnamon, vanilla pod, ginger, lemongrass and Vietnamese mint.

A gentle spice emanating from partial oak maturation in new and seasoned French barrique that is seamlessly integrated, contributes to the complexity on this medium bodied but very long acid balanced white wine. Enjoy in its youth with South East Asian or Mexcian cuisines.
